## Work Experience

Brand Manager / Designer / Developer / [coppersmithcreations.co.uk](http://coppersmithcreations.co.uk)

Aug 2016 - Current

Coppersmith® Creations is a manufacturer/exporter of luxurious high end, finest metallic bathroom & kitchen fixtures specializing in copper products like copper bathtubs, sinks & kitchen sinks.

I have helped them with the branding and development of:

<https://www.coppersmithcreations.co.uk>

<https://www.coppersmithcreations.com>

<https://www.coppersmithcreations.in>

Visit following links for the proof of my contributions to above projects:

## Freelance Web Consultant / sunilchauhan.com

📅 Mar 2015 - July 2016

Worked with one of my Australian Clients Daniel Rutland & Craig Suggate to help them set up the initial version of their ebay store. They have however got a new storefront design by an Aussi Design Agency now. Link below:

<http://www.ebaystores.com.au/shedsforyouau>

During this period I was also commissioned to build them a magento site which although couldn't go live due to owners choice but I do have a copy of what I built for them in a subdomain at following link:

## eBay Coder / AuctionProTemplates.com

📅 Jun 2012 - Mar 2015

I started my career in the world of web design and development by teaming up with a small team at AuctionProTemplates.com with Ali Young and Ron Labeau as my mentors.

While working for AuctionProTemplates my job was to code the psd mockups of ebay storefront and product listings of sellers on eBay. I helped near about 70 plus ebay sellers by giving them a professional looking ebay storefront and product listing designs.
